CHAPTER 7 TRUSTEE'S MOTION FOR ALLOWANCE OR DISALLOWANCE OF CLAIMS

The Chapter 7 Trustee, John C. McLemore, moves the Court to allow and disallow claims filed in this proceeding as set forth in Exhibit A to this motion.

All claims filed against this Chapter 7 Bankruptcy Estate before the claims bar deadline of October 22, 2018, have been reviewed and are included in the recommendations set forth in Exhibit A to this motion. If a creditor has not filed a claim, its name does not appear on Exhibit A and its claim is not allowed. Each claim is identified by the claim number and the creditor name. The "Claim Status" column indicates whether the Trustee recommends allowance or disallowance of a claim. If a claim is disallowed there will be a brief explanation on the line titled "Claim Notes." The "Amount Allowed" column states the amount of a claim to be allowed. It **does not** indicate the amount to be paid.

The Trustee files this motion and recommendations pursuant to his duties under 11 U.S.C. §704(5). All recommendations are subject to review by the Court. The order resulting from this motion will be a final determination regarding the allowance or disallowance of all claims listed on Exhibit A.

WHEREFORE, the Trustee prays for the entry of an order allowing or disallowing the claims as set forth in the attached Exhibit A, and for such other and further relief as is just.

Dated this 7th day of March, 2019.

Respectfully submitted,
